

EKKA

SURVIVAL

GUIDE

Buy your tickets online to save queuing at the gate and if you subscribe to the Ekka newsletter tickets are even cheaper with more discounts on offer through promotional codes.

Download the free Ekka App. It's user-friendly navigation means you can quickly browse events by time, location or category and add them to your calendar to plan your day.

Before you leave home make sure you pack sunscreen, a hat, hand sanitiser, your phone is fully charged, you're wearing comfortable shoes & have a backpack to carry the showbags and other goodies you'll collect.

Catch public transport.
With extra bus and train services during the Ekka it's the cheapest and most convenient way to arrive and depart.

Keep kids safe with the free Ekka wrist band available from the Ekka Police Station marquee on Gregory Terrace.

Put on your happy face and pack your sense of fun - there will be crowds, but it's the Ekka, a Brisbane institution and it's only here once a year. Enjoy.
